SACRAMENTO CAREER WOMEN'S NETWORK

No. 2 Feb '85

Better Late than never.... here's the particulars for our next gathering SUNDAY, FEBRUARY 10, 5:30PM and a report, for those who missed last time, of some decisions we made:

1) Sacramento Career Women's Network is our name;
2) Potluck dinners at 5:30PM on the second Sunday of each month will be our regular get-together schedule for now;
3) May 10 will be our first fundraising social event – mark your calendars now! – for "Sister Mary Ignatius Explains It All for You" at Sacto Theatre Company's Cabaret – more info to come;
4) some women in the group interested in planning some program events will report on their ideas & ask for your feedback next time;
5) Char Schultz got everyone on her computer for me and printed out these wonderful address labels for us – THANKS CHAR!
6) Thanks also to all who "passed the hat" last time and collected $17.59 to pay for the postage and copying on these flyers!
7) Thoughts for next time: what do we want this group to do besides have potlucks so we can all meet & socialize (if anything, 'cause that in itself is alot)? can we take turns or have a committee to put together monthly flyers? do we want a more comprehensive means of communication, for example a newsletter, with announcements etc? do we want programs sometimes, and if so on what topics? how do we handle introductions as a group as we get larger each time?
8) We had women from Davis, Fairfield/Suisun, and Stockton last time as well as Sacramento --- pretty exciting how we're growing!
9) Next Sunday we'll be in Carmichael at Mary Booth's home:
   3118 Oakcliff Circle, Carmichael 973-1093
   Take Fair Oaks Blvd. towards Carmichael; go rt on Stanley, then rt on Oakcliff. Bring good food to share and beverage ---

See you there!
